My Upcoming Appointments

Scheduled appointments will be shown here. To view details of the appointment, click View Details Link.

Health Tab

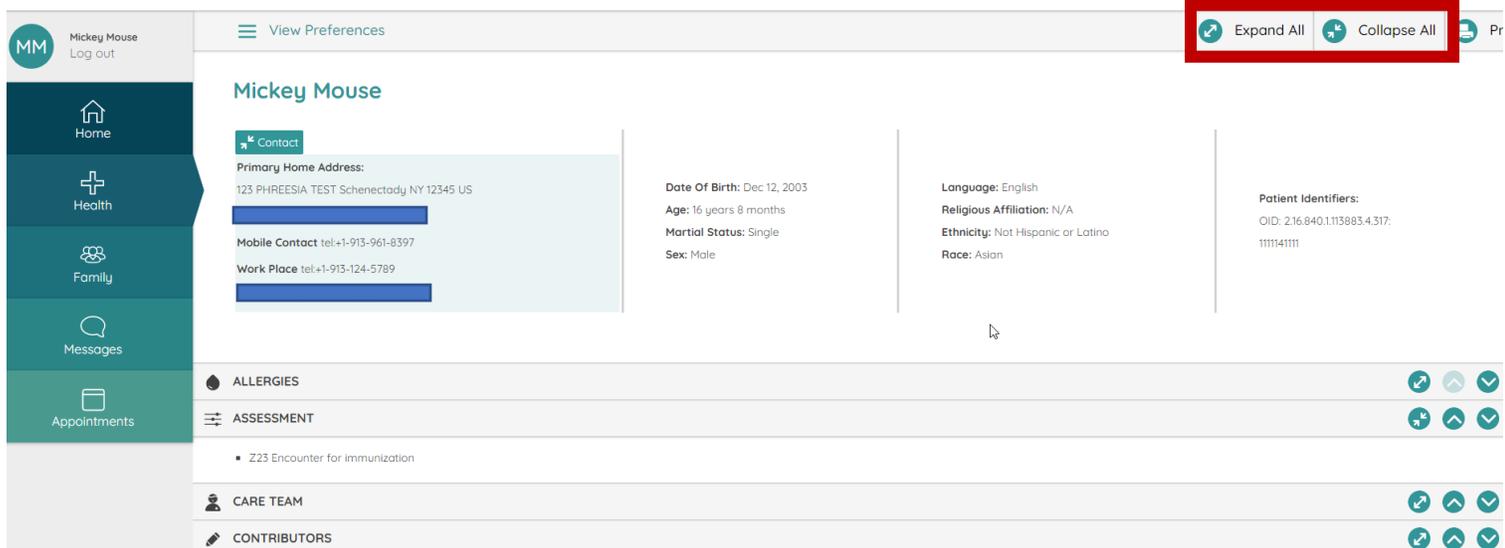

To display a list of the health records that have been sent to your Portal, click the Health tab. Records will be listed by date. You may need to click "Request Health Record" first if dates are not showing. It is on the left.

You can use the date range buttons to search for a record within a specific time frame.

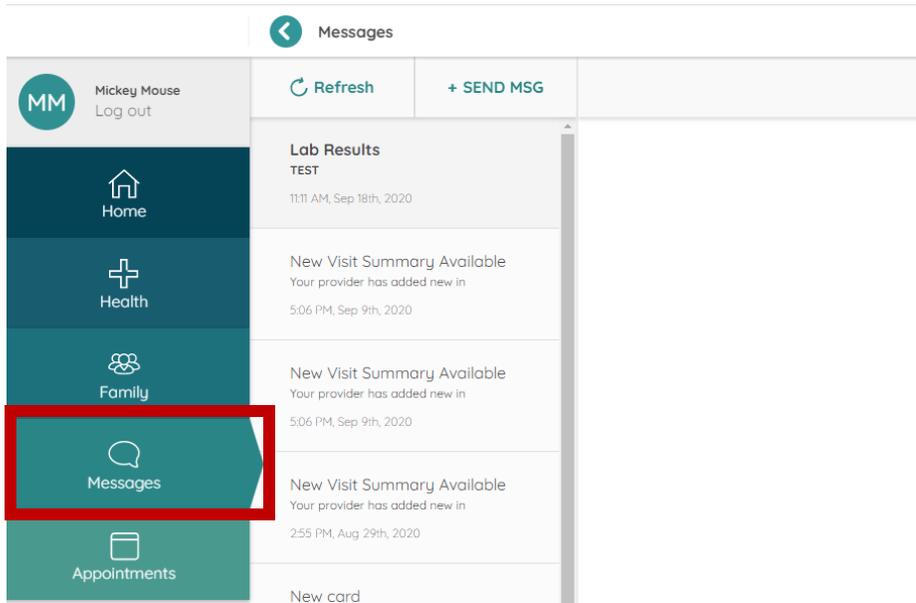

To display a health record, click the View Information button. The health record will be displayed on the Health tab, as shown in the following example.

To quickly find a section of the health record, click the Collapse All button located at the top of the record and then use the Expand button in a section header to display that section.

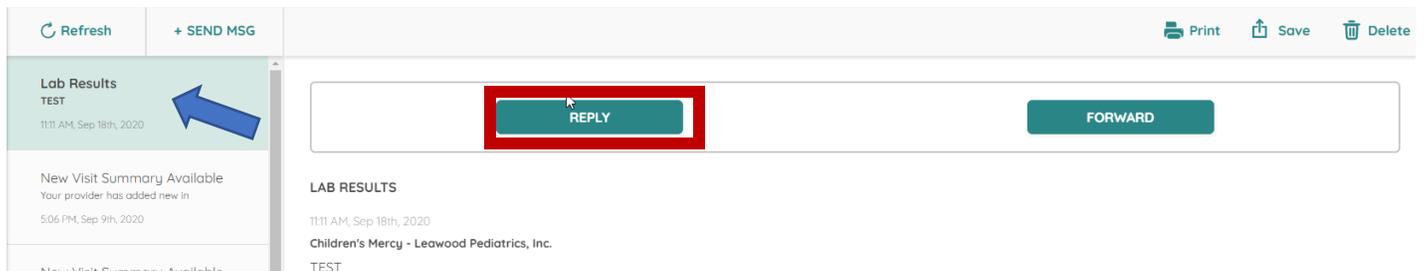

Messages Tab

Click the Messages tab to view a list of all messages that you have sent or received.

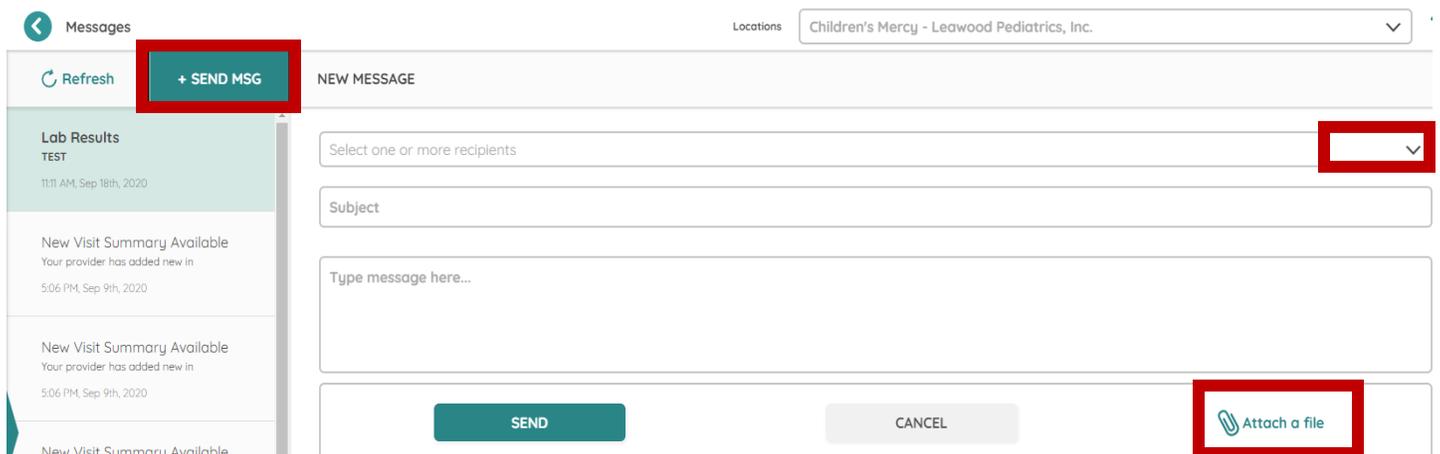

To view the contents of a message, click the message. Clicking the Reply button will display a field for you to type a response to the message.

If you want to send a new message to your doctor's nurse or other clinic staff, click the SEND MESSAGES button to display fields in which you can select the recipients and type a subject and a message.

Clicking the drop-down button will allow you to select the recipient you can send a message to.

You also have the option of attaching a file to your message. This is a great option if you need to send in your new insurance card!

Appointments Tab

In the appointments tab, you can request an appointment for an acute care visit with Dr. Stein.

Choose your Visit Reason and When you would like the appointment.

If you would like the visit to be a Telemedicine appointment, you must type in the “Include a message to your provider...” section that you want it to be Telemed.

Once you have selected your visit reason, when, and appointment time, click on REQUEST APPOINTMENT

The screenshot shows the 'Appointments' tab interface. On the left is a navigation menu with 'Appointments' highlighted. The main form includes fields for 'Where' (Children's Mercy - Leawood), 'With' (Stein, Kaitlin), 'Reason' (Earache), and 'When' (This Week). Below these is a 'Select Appointment' section with a grid of time slots for Wednesday, September 23rd and Thursday, September 24th. At the bottom, there is a text area for 'Include a message to your provider...' and a 'REQUEST APPOINTMENT' button.
